“Do I Need A Will?”

The law firm Trimmier, L.L.C., is planning to provide you with a special opportunity to discuss having your will made. Below are just a few reasons for having a will:

A will is the only way of insuring that your wishes regarding the disposition of your property are properly met.

A will can relieve some of the burdens placed on your heirs by the probate court.

A will can save your estate money since many costs associated with an estate may be waived in the will.

A will allows you to pick who will oversee your estate.

The law firm Trimmier, L.L.C. will be in Huntsville at the NAECU Main Office (Whitesburg Drive) on Friday, May 8, 2009 to conduct individual interviews for wills. You will be under no obligation at your interview but if a will is prepared, a fee will be charged according to your situation. If you are interested, please call the Credit Union, 256-534-2423 or 1-800-547-8172 to schedule an appointment for your interview.

No representation is made that the quality of the legal services to be performed is greater than the quality of legal services performed by other lawyers.
